

RESPIRATORS

HOMEWORK

1.

Watch this video describing qualitative fit test procedures:

➤ I-CAR disc WKR01-PRCD01-E “Hazardous Materials, Personal Safety, and Refinish Safety” (files > module 4 > topic c > movies > c20) – 3:11 min

NOTE: If you do not have access to the I-CAR discs, watch this video that covers the same information:

http://osha.gov/video/respiratory_protection/fittesting.html

2.

Read this document to know what to expect when you work in a collision shop where you are required to wear a respirator of any kind. This newsletter explains a collision shop owner’s obligations under the OSHA Respiratory Protection standard:

➤ **CARSS Newsletter #3 – Respirators.pdf** (2 pages) – located in “I want to know more” folder
